HPPE ANTI CUTTING SLEEVE

- **Wide top & narrow bottom**
  Cylinder knitting, conform to ergonomics, fit the wrist perfectly
- **Soft&skin friendly, ultra-high ductility**
  Comfortable, moisture management
- **Multiple sizes, customizable size**
  Upper width up to about 16.5cm, large size design
- **Dotted upper cuff for skid resistance**
  Anti-slip design, anti-slip & fitting
